You will now see your edit profile page.

This is the first task in the Orientation tasks.

a. add a profile picture

b. describe your coaching experience

c. add your contact details (these will only be seen by coaches who have logged into the site)
Welcome to the new Premier Skills website.
In this orientation session, you will complete the following tasks:
1. Log in
2. Update your profile
3. Follow some coaches
4. Post an article

Task 1: Log in
You will have received an email with a link to log in to the new site. Open your email and find
the link. Click on it. You will have to select your country and favourite club and then create a
new password.

Task 2: Update your profile
On your profile page, there is an ‘edit profile’ button.
Click on the button and add an image.
Write something about your coaching experience.
If you would like to share your contact details with other coaches, you can. This is a
closed community so your contact details will be visible on your profile, but only
Premier Skills coaches will be able to see it.

Task 3: Follow some coaches
You will get updates (emails and in your news feed) from the coaches you follow.
You can find coaches in their country directory or on the articles they post. Today, I want you to look in the country directory.
Click on Countries on the main menu > Select a country (not China, there are no active Chinese coaches on this website unfortunately).
Scroll down the page to find the country directory.
Click on a member to see their profile.
Click on the Follow this user button.
You can unfollow users on your own profile page.

Task 4: Post an article
Click on Team Talk on the main menu.
Here you will see all the articles from the people that you follow.
Click on the Write an article button.
Add a title.
Add an image (articles look much nicer with images, try to always add an image or two).
Add some text.
Select a topic. As this is a test, please select News and Updates.
Click save.
Congratulations! you have completed the website orientation tasks.
